

CDRI Awards

CDRI Awards were constituted in the year 2004. The Award is given to the Indian nationals who have carried out outstanding work in the area having direct bearing on Drug Research and Development.

The three separate individual awards are given to the scientists in the following areas:

- Chemical Sciences
- Life Sciences
- Traditional Medicine

Every year nominations are invited from scientists/researchers across the country both from academia, research institutions and pharmaceutical industry. The nominations are scrutinized by a Committee of Eminent Scientists to decide about the winners.

Award carries a cash award of Rs.20000/- and a citation for each category.
